Reasons For Allowance

The following is an examiner's statement of reasons for allowance: In view of the applicants' amendment/response filed August 25, 2003 the *claimed composition for producing colored synthetic fiber having improved color strength and dimensional stability comprising a) at least one fiber-forming polyamide, b) at least one unsulfonated thermoplastic polyester, being present at between about 15% and about 35% by weight with respect to the total composition, and forming a dispersed, non-continuous, minor phase in a matrix of said fiber-forming polyamide, c) a colorant system comprising at least one colorant selected from the group consisting of inorganic pigments, organic pigments, and mixtures of inorganic and organic pigments, and d) at least one metal sulfonate polyester compatibiliser additive in combination thereof; wherein the claimed composition comprising a fiber-forming polyamide/polyester blend containing a sulfonated polyester additive and a colorant system; unexpectedly results in the production of fibers from the composition that exhibit improved color strength and dimensional stability.*

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
